2011 THE KING ORTHOPEDIC BIG SHARK NEW TOWN TRIATHLON

Swim .62miles, Bike 20 miles, Run 4 miles

Big Shark is offering 50 limited Athlete Entries benefitting The St. Louis Men's Group Against Cancer. Registration as a Gold Star Athlete for \$250 will get each of these competitors special recognition at the event, distinguished race apparel, preferred race start and entry into a post-race ceremony. Proceeds are tax deductible.

Big Shark will also be having a "Survivors tab"- if you are a cancer survivor let us know for special recognition during and post event. Additionally- we are seeking \$250 sponsors for each of our race elements as Course Tribute Sponsors- a unique way to raise money to fight cancer in honor of those touched by cancer. If interested in sponsoring the Swim, Bike or Run legs of the race or the Transition Zone or to volunteer please contact race director Kevin Jokisch, kevin@bigshark.com.

Again, the number of charitable entry spots is limited, so don't miss out on this great opportunity to be part of the fight against cancer!
